## WHAT'S NEW

### GoAir adds two new connections

GoAir has announced the commercial operation of its eight brand new A320 aircraft and the addition of two new connections from Bangalore (BLR) to Delhi (DEL) and Bangalore to Mumbai, taking the total number of weekly flights serviced by GoAir to 377. With the addition of the new connections the airline will now have four flights all at different time slots from BLR-DEL and DEL- BLR; two flights from Bangalore to Mumbai and three flights from Mumbai to Bangalore respectively.
