

## GoAir adds four new destinations

WITH the aim of tapping Tier-II cities and mini-metros', GoAir on Monday announced addition of four new destinations to its network, starting with two direct daily flights to Patna from Delhi.

The low-cost carrier, which currently has eight Airbus 320 aircraft, would add two new aircraft to its fleet in a few months. "The ninth aircraft, which would operate on the Delhi-Patna sector, will be inducted on September 2 and the next one will be inducted on October 2," GoAir CEO Kaushik Khona said.
